Dear Parent,

As assessment is vital to the education process, the assessment for Learning (AFL) for grades 2 to 8 at Credence High will begin with periodic reviews. AFL is the process of seeking and interpreting evidence for use by learners and their teachers to decide where the learners are in their learning, where they need to go and how best to get there.

The Date Sheet and Syllabus for the upcoming Periodic Review (Formative Assessment) 1 is uploaded on our school website. To access the same you can go to http://www.credencehighschool.com. In the Homepage go to Academics and Click on Periodic Review-1 Date Sheet & Syllabus.
